EU Declaration of Conformity

1. Product: Model M8 – MEGASONEX® ultrasound toothbrush kit (in total and/or as separate accessories)
2. Produced by: Goldspire Group Limited, 4/F 299 QRC, 287-299 Queens Road Central, SAR Hong Kong
3. European Importer and Representative: Panaford B.V., Javastraat 12, 3016 CE, Rotterdam, The Netherlands
4. This Declaration of Conformity is issued under the sole responsibility of the producer/manufacturer: Goldspire Group Limited and its sister company – Panaford B.V.
5. Object of the declaration: Megasonex® M8 – ultrasonic toothbrush Model (low-voltage Class III Product) including its NiMH battery.

The Manufacturer declares that this product(s) outlined herewith, complies with the regulations set in the Guideline 2011/65/EU by the European Parliament and the Council from 8th of June 2011 pertaining to the restriction of the use of certain hazardous substances in electric appliances or electronic devices, as well as with relevant EN Standards dealing with the safety of such devices. The batteries in models M8 and M8-S comply with Annex I of Regulation (EU) 2023/1542 – Heavy Metals Content in batteries and waste batteries containing either undetectable or below allowable limits of Mercury (Hg), Cadmium (Cd), Lead (Pb).

6. This declaration is further based on compliance with the following EN norms, and that the results meet or exceed the minimum technical requirements outlined in these standards. They include:

SAFETY: EN60335-1/A13: 2008 EN60335-2-52/A1:2008
EN62233:2008 (*Refer to Test Report no. 60110981201 TUV SUD*)

EMC: EN55014-1:2006 EN55014-2/A1:2006 EN61000-3-2:2006 EN61000-3-3/A2:2005 EN61000-6-3:2007 (*Refer to Test Report no.60710941061 TUV SUD*)

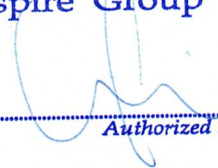

Voltage Converter and plug (Class II product): EN61558-2-16:2009, EN61558-2-6:2009, EN 61558-1-2005 + A1:2009, PAH ZEK01.4-08 (*Refer to Test Report GS1310-243172-001 Nemko*)

WEEE and RoHS Requirements: WEEE Directive 2012/19/EU (Recast 2002/96/AC) Article 4,11 and Annex V. (*Refer to report: 60.510.13.526.02 TUV SUD*)

Annex I of Regulation (EU) 2023/1542 – Heavy Metals Content in batteries and waste batteries. (Refer to Test Report number SZXEC2102763701, dated Sept. 3rd, 2021- SGS)

7. Additional information: All plastics that come into contact with the body are Food Grade polymers. Goldspire Group Limited, the final manufacturer, also requires that components from all of its suppliers meet RoHS guidelines and where possible be indicated as such. Note: Modifications to the product without prior approval from the undersigned will render this declaration null and void.
